Dear Dr. Milne,

Congratulations! I am delighted to inform you that you have been selected to receive a Schulich Award for Excellence in Medical Education for Adjunct Faculty.

This award recognizes an outstanding adjunct faculty educator who has displayed exceptional interest and enthusiasm for the learning needs of students and the winners are chosen by the Schulich Awards Committee from nominations put forward by students, and residents. This award is in recognition of the tremendous amount of time and energy you devote to making Western University a stimulating and rewarding place to learn. On a personal level, I am deeply grateful for your exceptional contributions to the Schulich School of Medicine & Dentistry.

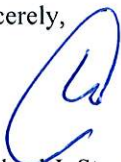

This award consists of a cash prize for \$1,000 to be used at your discretion. It will be payable on the next University pay cycle. This award is taxable and will be included in your total taxable earnings at the end of the calendar year.

The full list of winners will be announced to the Schulich Medicine & Dentistry community the week of April 22. We look forward to sharing your good news with everyone at that time.
